Sir,

Panchayats - Forest - Harpanahalli Taluk - Aligilavada Reserve -Forest - dis- reservation proposals submitted -

1. Notfn.

SPARE COPIES

I submit proposals to disafforestate the whole hill block comprising the S.Nos. detailed in the margin for assignment to the depressed class members of Yerrabalu village.

Name of village.	S.No.	Extent	Name of panchayat
Alagilavada	101	157.92	Alagilavada 7c
Yerrabalu	205	13.21	Kadathi
	206	64.81	do
	209	40.22	do
	210	63.14	do
	211	6.26	do
	222	29.97	do
		375.53	

There is no assessed waste available for cultivation. I nspected the block on 20.7.31 and am of opinion that it ught never to have been included in the reserve, and that t ought now to be disafforested because

i) It adjoins the village.

(ii) There is no assessed waste available

(iii) It has no tree growth.

(iv) It is fit for cultivation, being under the stones, a ferrugirous red soil which will grow cholam chillies, nor

e grass, gingelly etc. I request that my proposal for its dis-
vation may be approved.

2. A sketch in duplicate showing the area proposed for
servation with a draft notification is enclosed for favour of
ll and return.

3. The panchayats concerned have no objection to the dis-
vation of the area, and the disreservation does not prejudicially
t the needs of the villagers for pasture, firewood and agricultural
ments.
